→ submit/
create profile

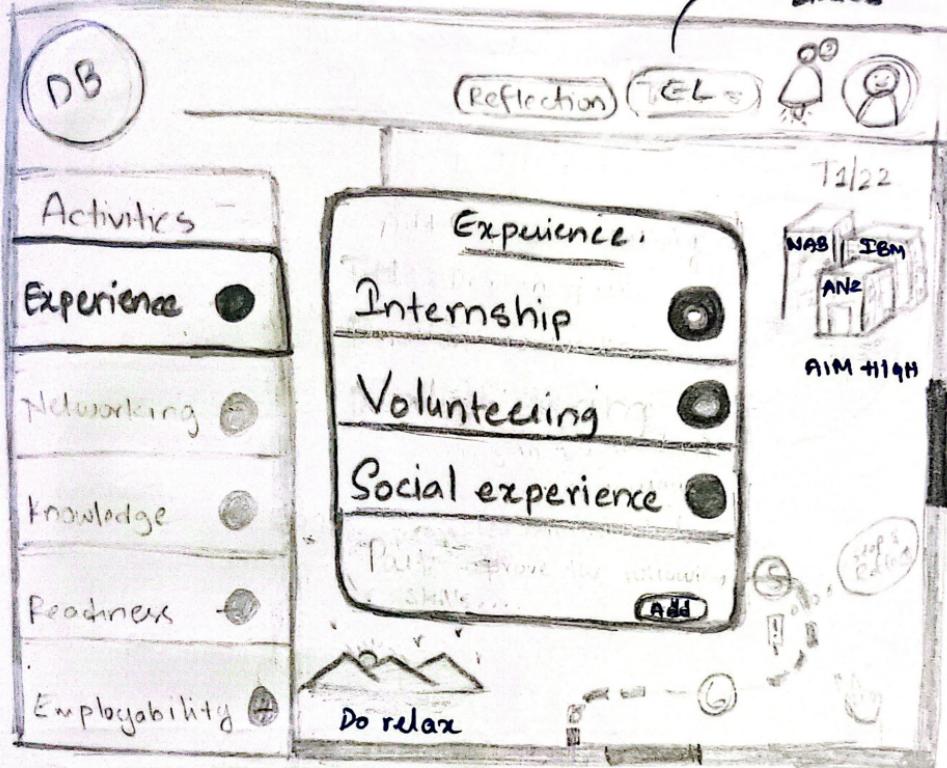

*Example color code:

• task progress:

- ① Not started - grey
- ② In progress - orange
- ③ Done - green

just used numbers
to show them as
activities, will
mostly be color coded
Circles in UI prototype.

- Category colors
- ① Experience - white
- ② Networking - yellow
- ③ Knowledge - blue
- ④ Readiness - purple
- ⑤ Employability - red

- Everything excepted the selected area and the pop-up box will fade in the background.
- the added activity will be placed on the current road, but the user is free to move it around.
- when any of the category is selected, it will display the list of tasks in that area & also an option to add more or delete existing.
